To Whom It May Concern

This is to certify that Mr. Babi Basnet, (ID- R-2019-ANU-07M, TU Regd No. 1-2-1091-7-2014), was a student of Master of Science in Animal Science (Animal Nutrition) under the Department of Animal Nutrition and Fodder Production, Post-graduate Program, Institute of Agriculture and Animal Science, Tribhuvan University. He had successfully completed all the requirements for the degree in the year 2023 from this institute. The master's thesis topic was "Estimation of Herbage Mass Productivity, Botanical Composition, Chemical Composition and Carrying Capacity of Rangelands in Solukhumbu District".

To the best of my knowledge, Mr. Basnet bears a good moral character during his study period at IAAS.
