Character Certificate

This is to certify that Mr. Biplap Basnet (ID- R-2020-LPM-05-M), TU Regd No. 1-2-620-11-2015 was a student of Master of Science in Animal Science (Livestock Production and Management) under the department of Livestock Production and Management, Post-graduate Program, Institute of Agriculture and Animal Science (IAAS), Tribhuvan University. He had successfully completed all the requirements for the degree in the year 2023 from this institute. The master's thesis topic was "Effect of Probiotic Feed Supplement in Commercial Broiler Chicken in Sub-Urban Areas of Udayapur District."

To the best of my knowledge, Mr. Basnet bears a good moral character during his study period at IAAS.
