Total marks secured 895

Percentage 59.6

Passed division SECOND

Examination of 2044 (1987)

Controller of Examination

Date of issue

15 FEB 1990

Grading system of marks secured in the examination:

Distinction - 80 percent and above in the aggregate.

First Division - 65 percent and above in the aggregate.

Second Division - 50 percent and above in the aggregate.

To pass the examination at least 40 percent of the marks must be secured in the Internal External examinations as well as in the theory and practical examination of each paper separately.

N.B.: In the 3rd yr. examination the students shall have to study elective subjects of 150 to 175 full marks in any one group from among the groups prescribed in the syllabus. Those studying animal science group shall have to study one animal health paper and other one from the remaining.

The full marks of the elective subjects should not be less than 150 in any case.
