YEAR OF ENROLLMENT: 2010

YEAR OF COMPLETION: 2020

CAMPUS: Himalayan College of Agricultural Sciences and Technology, Kathmandu

DURATION OF THE PROGRAMME: Ten Semesters

EXAMINATION: Bachelor of Veterinary Science & Animal Husbandry

DATE OF ISSUE: 03 Dec., 2021

KEY TO ACADEMIC TRANSCRIPT

CUMULATIVE GRADE POINT AVERAGE (CGPA):

CGPA is calculated at the end of the programme. The overall performance is reported by CGPA, which is a weighted average, calculated as follows:

$$CGPA = (c_1 g_1 + c_2 g_2 + c_3 g_3 + \dots) / (c_1 + c_2 + c_3 + \dots)$$

where $c_1, c_2, c_3, \dots$ denote credits associated with the course and $g_1, g_2, g_3, \dots$ denote grade values of the grades earned by the student in the respective course.

The CGPA defines the overall performance category:

CGPA	EQUIVALENT DIVISION
4.00 to 3.50	Distinction
Less than 3.50 to 3.00	First
Less than 3.00 to 2.50	Second
Less than 2.50 to 2.00	Pass
Less than 2.00	Fail

GRADUATION REQUIREMENTS:

For Graduation a student has to meet the following requirements:

1. Satisfactory completion of all courses prescribed for the particular area of the study in which the degree is to be granted.
2. A cumulative grade point average of at least 2.00.
3. The pace of progress of a student should be such that he/she must clear all the prescribed courses within 7 years from the date of admission.

CREDITS:

1 credit is equivalent to a minimum of 16 contact hours in each semester.

LETTER GRADING SYSTEM:

At the end of each semester, students are awarded letter grades which are based on grade scores obtained in various segments of the course evaluation. Final evaluation of the course is carried out on a four point grading system, as shown below

GRADE	GRADE VALUE	EQUIVALENT MARKS%	REMARKS
A	4	100 to 80	Excellent
B	3	Less than 80 to 60	Very Good
C	2	Less than 60 to 50	Good
D	1	Less than 50 to 40	Fair
F	0	Less than 40	Fail

OTHER ABBREVIATIONS:

The following letters can also be awarded according to the nature of performance:

- W : Withdrawn
I : Incomplete
NC : Non-credit course

GRADE POINT AVERAGE (GPA):

Each course letter grade is converted into the specific number of grade value associated with the grade. Grade Point Average (GPA) is calculated by multiplying the grade value of earned grade by the number of credits for each course and dividing the total grade points by the total number of semester credits. The GPA must be 2.00 or above at the end of each semester. The semesterwise GPA is indicated as SGPA.
