Subject:- To whom it may concern

This is to certify that, Mr. Dinesh Gurung, student of Livestock JTA from School of Applied Sciences and Technology, Kathmandu, was posted to this office on the job training for 3 months from September, 2008 to December, 2008.

During his training in this office, I have found Mr. Gurung a diligent, dedicated young fellow comfortable working alone or with a team. He has a strong sense of responsibility and readiness to take initiatives. Having sound technical knowledge of his level, punctuality and dynamic personality, an outstanding performance in related field is expected from him.

I wish him all the very best in his future endeavors.
