This is to certify that **Mr. Govinda Poudel** had worked at this this Veterinary hospital and Livestock Service Expert Center as a Junior Livestock Techinal Assistant since 2076-04- 27 to 2078-03-31.

He is sincere and hard working personnel. He always accomplished his tasks on time, and had good communication skills with Farmers and other staff of the Center. He never let others complain about His performance while working here and his dutiful and responsible nature even in the odd hours was always praiseworthy instead.
