**To Whom It May Concern**

National Development Volunteers Service (NDVS) is a government entity established under the auspicious of National Planning Commission (NPC) in 1999. NDVS recruits and mobilizes development volunteers and also promotes the spirit of volunteerism in Nepal. In general, NDVS aims to meet the targets of national development through volunteerism.

**Mr. Pradip Ghimire** had worked at NDVS since **May 02, 2016 to May 01, 2018** as **JTA Vet. Volunteer** in **Rupandehi** District. During this period, we found him as a sincere, punctual and committed staff who had worked hard to achieve the aim of this office.

His Assignment was to work in the Livestock Service Centre and to facilitate the animal husbandry for treatment and care. Moreover, he handled other duties allocated by the District Livestock Office related to his experience.

He is honest, discipline and cooperative to his colleagues and supervisors.

We wish him all the best for his successful career.
