TO WHOM IT MAY CONCERN

We are pleased to write this letter to inform that Mr. Sher Bahadur Thami had worked as **Field Technician - Livelihood** for about 16 months (from **December 4, 2016 to March 31, 2018**) at **Community Environment Education and Public Awareness Association for Rural Development (CEEPAARD) Nepal, Dolakha** under **Rebuilding Energy Access and Livelihood of Earthquake Affected Communities in Nepal Project** in partnership with Practical Action Nepal.

During his tenure in the organization, he performed the work with determination and sincerity. As we observed, he was an active and very qualified person and he could perform all of the assigned tasks effectively. Besides, in my opinion, he was a motivated, devoted, professional, hard-working, and innovative person. He contributed much to our organizational goals and targets and his performance was proven to be among the most effective in our organization.

Moreover, Mr. Thami demonstrated excellent behavior and attitude during his service with us. We found him be sincere, truthful, reliable and sociable. He was also a pleasant person to talk and work within a team. He was committed to ensure the timely completion of **Rebuilding Energy Access and Livelihood of Earthquake Affected Communities in Nepal Project**.

We wish him all the best for his future career.

Yours faithfully,

Navaraj Neupane

Executive Director
