TO WHOM IT MAY CONCERN

This is a formal certification stating that Mr. Binod Raj Ghimire, a permanent resident of JEETA -1 Lamjung joined us as an On-job Trainee of diploma in Agriculture for three months (1st June-31st August 2008). After his OJT, he has been working as a full time Technical Volunteer in our organization. Ours is a regional level NGO working for income generation through livestock and agriculture based interventions and promoting awareness of education and health in rural communities in western Nepal. We have been using his technical expertise for conducting agricultural and livestock based community group level trainings and handling animal health cases in our project groups in Lamjung.

During his stay here, I have found Binod to be sincere, social, and punctual. I wish him all the best wishes for his bright future.
