RAP

RURAL ACCESS
PROGRAMME

District Office:
Bhojpur
Tel +977 (029) 420232
Fax +977 (029) 420232

RAP_Bhojpur@wspnepal.com

To Whom It May Concern

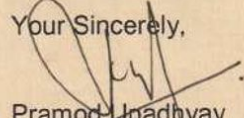

Rural Access Programme (RAP) funded by the Department for International Development (DFID) UK is in implementation from the year 2002 in Bhojpur District. The programme comprises the construction of district roads together with socio-economic development activities that will minimize the negative impacts of the construction works and enable the poor and socially excluded to take advantage of social and economic opportunities arising through improved access.

The RAP programme at Bhojpur District basically comprises three road corridors. **HEEHURLDE Nepal/Seto Guras Child and Community Development Organization (JV)** a local NGO is employed for Bhojpur-Chyandanda District Road Corridor (Km 42) to ensure that "poor and disadvantages are socially and economically enable to take advantage of increased opportunities arising from improve access".

As a **Social Mobiliser (Technical)** of the HEEHURLDE Nepal / Seto Guras Child and Community Development Organization, **Mr. Ram Kumar Nepali** was engaged in the programme from 1 December 2006 to 30 June 2008. He was responsible for IGA activities in Social and Economic Development (SED) programme of Bhojpur-Chyandanda District Road. He supported the training like fresh Vegetable, Ginger, Akabare chilli, Vermi Compost, Fruit & Livestock management to the RBGs. He worked under the NGO Coordinator.

He is sincere, honest and hard working person.
I wish him success in his future career.

Your Sincerely,

Pramod Upadhyay
District Team Leader, Bhojpur

Date: 25th Feb 2019

To whom it may concern

This is to certify that Mr. Ram Kumar Nepali permanent resident of Bhojpur Municipality-07, (Previous Bhojpur VDC Ward No 3) Bhojpur has been worked in the post of Agriculture Technical Assistant from 1st May 2013 to 30th April 2016 under Suaahara (Good Nutrition) Program Funded by USAID. He is responsible in implementation of project activities, close coordination with Local Agriculture Center (LAC) and Agriculture Support Center (ASC). Facilitation to LRPs, agriculture groups, beneficiaries of agriculture and livestock. I found he was laborious and hardworking even in hard situation. He contributed his hard effort to the organization and project works during monitoring his field. He works with great responsibilities under the rules and regulation of the organization and program policy.

During the job period he had been completed following trainings:

1. Homestead Food Production (HFP) Training (6 Days)
2. TOT on Hygiene and Sanitation Promotion Training (5 Days)
3. Essential Nutrition Action (ENA) Essential Hygiene Action (EHA) and Social Behavior Change Communication (SBCC) promotion training (6 Days)
4. M & E tools and template training (2 Days)
5. Intrigated Nutrition Package (INP) Training (5 Days)
6. Lot Quality Assurance Sampling (LQAS) Training (4 Days)

I am wishing to success for his future life too.

 Lakesh Rai
 Executive Director
