To Whom It May Concern

National Development Volunteers Service (NDVS) is a government entity established under the auspicious of National Planning Commission (NPC) in 1999. NDVS recruits and mobilize development volunteers and also promotes the spirit of volunteerism in Nepal. In general, NDVS aims to meet the targets of national development through volunteerism.

Mr. Birendra Thapa, had worked at NDVS from November 17, 2014 to November 15, 2016 as a JTA Vet volunteer in Palpa district.

He handled other duties allocated by the District Vet Service Office related to his experience.

He is honest, discipline and co-operative to his colleagues and supervisors.

We wish him all the best for his successful career
