Lifeline Veterinary  
Hospital & Research Center

Date: 5<sup>th</sup> August 2023

## JOB EXPERIENCE LETTER

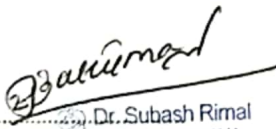

This is to certify that Mr Tek Bahadur Sarki has worked at Lifeline Veterinary Hospital and Research Centre Pvt. Ltd. as full time Veterinary Assistant for one year since 26th July 2022 till dated.

### At LVH&RC, he was responsible for:

- Assisting the vet during clinical exam, diagnosis and treatment of dog, cat and other pet animals and providing them the best possible health care. Regularly cleaning examination areas before and after consultation.
- To provides support to the veterinarians and technicians in their daily tasks by cleaning and maintaining equipment, feeding, exercising and grooming patients, preparing and sanitizing surgery sites, restraining and handling patients and administrative work.
- To provide for the constant cleanliness of the hospital, as well as all patient wards and cages. He was responsible for the daily care of our patients, including walking, feeding, and recording of animal weight, appetite, and other information as directed.
- He was responsible for feeding and providing water to animals at regular intervals throughout the day
- He was responsible for grooming and bathing of animals
- He has good animal handling skills and knows how to calm animals during examinations, treatments and vaccinations
- He has good technical knowledge on disinfection, administering medication, and use of diagnostic equipment
- He is very good at managing emergency situations and to take immediate care of the animals needing emergency medical care
- Sterilizing equipments, preparing the operation theatre and equipments needed for surgery. He has assisted in almost every surgery including soft tissue, spay, neuter to orthopedic surgeries like bone pinning and plating
- He was also responsible to train the newly hired staff at hospital.

During the period, we found him compassionate, hardworking, dedicated and honest. His services were found satisfactory in carrying out his duties and responsibilities.

I wish him every success in his life and all his future endeavors.
