To Whom It May Concern

I am writing to confirm the professional experience of **Mr. Junga Bohora**, who served as a **Veterinary Technician** with **Animal Nepal** from **March 2018 to till date**. It is my pleasure to provide this detailed account of his valuable contributions during his tenure.

As a Veterinary Technician, Mr. Bohora was entrusted with the medical care of dogs at **Lumbini**. He played a pivotal role in delivering high-quality veterinary services to street dogs within the community, particularly through his work on our **Catch, Neuter, Vaccinate and Release (CNVR)** protocols as part of the **Animal Birth Control (ABC) Program**. He assisted in numerous ABC surgeries both in Lumbini and at camps organized by **Animal Nepal at different part of Nepal**.

Mr. Bohora consistently exhibited exceptional professionalism, dedication, and compassion in his work. His ability to collaborate effectively with a diverse range of stakeholders—including staff, volunteers, and community members—was instrumental in ensuring the success of our programs. His contributions were integral to **Animal Nepal's** growth and reputation as a leading organization dedicated to the welfare of animals.

We are immensely grateful for the commitment and impact Mr. Bohora demonstrated throughout his time with us. I highly recommend him for any future employment opportunities and am confident that he will continue to make meaningful contributions to both the organizations and the communities he serves.

If you require any further information, please do not hesitate to contact me.

Dr. Sajana Thapa

Programme Coordinator

Animal Nepal
