To Whom it May Concern

It is duly verified that Mr. Prakash Kunwor employ no. 1423 is currently working as a Technical Officer (T-6) in the National Fishery Research Centre (NFRC), Godawari, beneath the Nepal Agricultural Research Council (NARC). He has been a bona fide fisheries and aquaculture researcher, doing action research and related laboratory works in the areas of water quality management, fish breeding, fish nutrition, fish health management, fish genetics, fisheries product value addition and post-harvest, fisheries stock management, fish taxonomy, and aquatic biodiversity conservation, since falgun, 2070 BS. I wish him a very good luck for future endeavors.
