TO WHOM IT MAY CONCERN

I am delighted to recommend Mr. Rabindra Kathayat for the graduation program at your esteemed institute. As a lecturer at Shree Chandannath Secondary School, I have had the opportunity to supervise Mr. Kathayat for the last two years, [14 Dec 2022 to 29 Dec 2024] and he is an exceptional candidate for your program.

He has shown remarkable aptitude and enthusiasm in his role, teaching agriculture subjects such as Introductory Animal Husbandry, Soil Fertility Management, Fundamentals of Agronomy, Industrial Crops, Crop Production, Plant Breeding, and Seed Technology. His ability to grasp new concepts quickly and apply them effectively has been impressive.

What sets Mr. Kathayat apart is his proactive approach to learning and his learning ability to new challenges. He has actively sought out opportunities to expand his knowledge, attending seminars, and seeking mentorship within our organization. His teaching skills and collaborative spirit have made him a valued member of our organization, and I have no doubt that his qualities will make him a successful student and a positive presence on your institute.

In addition to his professional skills, Mr. Kathayat has a strong academic background, which is reflected in his previous educational achievements. His motivation to pursue further studies abroad stems from a genuine desire to deepen his understanding and gain a global perspective that will enrich his future career.

I highly recommend him for your graduate program. He has intellectual capability, dedication, and character to thrive in an academic setting. I wholeheartedly support his application to your program and am confident that he will make the most of his opportunity to advance knowledge and skills. Please feel free to contact me if you need any additional information.

Sincerely,
